Hassle-Free Monthly Subscription

CSA stands for Community Supported Agriculture and involves an up-front payment from the member at the beginning of the season to fund production for the year in exchange for a regular supply of product. Our CSA is year-round. We keep the inventory for you and deliver it on a regular basis. This is a great option if you want automatic deliveries without the hassle of remembering to order and arrange pick up, or if you have limited freezer space. The cost for this premium meat averages \$2/person/day!
